Conditional Use Permits are intended to provide for land use and activities not permitted "By Right" or as a Special Exception in the applicable zoning district. The proposed use or activity must meet the standards below. Because a Conditional Use Permit is not normally permitted in a particular district, the burden is upon the applicant to document that the granting of the Conditional Use Permit, as an exception, will not create a hardship upon adjoining properties as they are currently being used or as they may be used in the future.
