Proposed Use of Structure or Electrical Service [Must be a non-residential farm support structure on a bonafide farm. Attach a "Farm Plan" describing the agricultural use of the structures and/or electrical services for which a permit exemption is sought.]

Will There Be Electrical Wiring Installed Within the Structure ? Yes () No ()

Will There Be Plumbing Installed ? (Other than water piping) Yes () No ()

Will There Be Any Mechanical Equipment Installed ? (Including A/C) Yes () No ()

I, the applicant for building permit exemption for the improvements described above, acknowledge that this exemption **does not exempt me** from any construction industry license laws, worker's compensation laws, or mechanic's lien laws.

I, the applicant, acknowledge that electrical and fuel gas utility providers **may require** inspection and approval from the Building Department for any electrical or fuel gas installations **prior** to the service connection to their utility. **Should the utility provider require** inspection and approval by the Building Department for service connection, I acknowledge that an electrical and/or gas permit will be required from the Building Department, and there are required inspections during certain phases of construction.

I, the applicant, acknowledge that I must demonstrate an agricultural use of the structure or electrical service within **90 days** of completion of the structure or the energizing of the electrical service. Failure to do so may result in a legal notice of violation, termination of the electrical service obtained by separate sworn affidavit, or other code enforcement actions by the Department.

I, the applicant, hereby grant the staff of the Levy County Development Department the **right of entry** to the subject property for the sole purpose of inspection of subject structures and electrical installations to document compliance with the stated agricultural use(s) of the subject structure(s) and/or electrical service(s) as indicated in the application, farm plan and site plan submitted for the permit exemption.

The applicant, when the applicant is not property owner, hereby agrees and promises to provide a copy of this application to the property owner. () Agent's Initials

I, the applicant, do hereby attest that the information that I have given above is true and accurate to the best of knowledge and any **false** statements will make this permit exemption null and void and all public utilities, if any, may be ordered disconnected or retired without further notice.
