

**LEVY COUNTY DEVELOPMENT DEPARTMENT**

**“NOTICE” TO ALL APPLICANTS FOR  
BUILDING PERMITS**

**PART I:**

**WARNINGS AND DISCLAIMER OF LIABILITY DUE TO FLOODING**

The degree of flood protection required by the Flood Prevention Ordinance is considered reasonable for regulatory purposes and is based on scientific and engineering considerations. Larger floods can and will occur on rare occasions. Flood heights may be increased by manmade or natural causes. This ordinance does not imply that land outside the areas of special flood hazard or uses permitted within such areas will be free from flooding or flood damages. This article of the land development code shall not create liability on the part of the county or by any officer or employee thereof for any flood damages that result from reliance on the flood damage prevention ordinance or an administrative decision lawfully made thereof.

**PART II:**

**MANDATORY PURCHASE REQUIREMENT**

The mandatory purchase requirement applies to all forms of federal or federally related financial assistance for buildings located in a Special Flood Hazard Area (SFHA). This requirement affects loans and grants for the purchase, construction, repair, or improvement of any publicly or privately owned building in the SFHA, including machinery, equipment, fixtures, and furnishings contained in such buildings.

**I have read and understand the written “Disclaimer of Liability Due to Flooding” and written “Mandatory Purchase Requirement”.**
